Outgoing Brigade Staff

On May 21, 2022 the 13 units that make up the SDUSD JROTC Brigade were able to come together and gather at Lincoln High School to recognize and honor the hard work that has been put into the 21-22 school year.

During the Pass in Review, the Change of Command Ceremony officially took place releasing Cadet Colonel Tom Rufino of his responsibilities to Cadet Colonel Fatima Lee Laugo the Brigade Commander of the 2022-23 school year. This signified the ending to a chapter of hard work and dedication by the 2021-22 Brigade staff. During this uncertain times they were able to come together and lead our Brigade into success, now as we said goodbye we welcome the incoming staff who were officially sworn in as the upcoming school year's Joint Brigade Staff, equipped and prepared to take on the responsibilities and to continue to build on the foundation of hard work and dedication in order to lead all 13 units into success for this school year.
