

# CADET PICNIC

Sept 2023

SDUSD JOINT BRIGADE

# Cadet Picnic

On September 30th, Cadets from all 14 units within SDUSD participated in our annual Cadet Picnic held at Admiral Baker Field. A special thank you to Scripps Ranch High School's AFJROTC Color Guard team, who presented the colors for the opening ceremony.

Filled with friendly competition, cadets participated in several events, including Tank Tube, Relay Race, Sack Race, Egg Balance, Hot Shot, Tug of War, and the lunch Talent Show. Units shined that day as they proved their physical fitness and motivation, along with showing off their creative skills at the Talent Show! This year there were a variety of acts, ranging from solo musical performances to group dances.

## TANK TUBE

# Awards Ceremony

The final part of this long day was the closing award ceremony, where 1st, 2nd, and 3rd place for each competition was announced and awarded with a certificate. Along with this, overall placements were announced for schools who dominated the competition that day. Coming in **1st place, Morse High School!** Following them came **San Diego High School at 2nd place,** and **Patrick Henry High School in 3rd place.**

The Cadet Picnic not only provides a platform for JROTC cadets to participate in fun events, but also encourages them to fill **leadership roles** as team captains, **learn to work in teams,** and **build confidence** as outgoing citizens.

*Thank you to everyone that attended our Cadet Picnic for the 2023-2024 School Year!*

c/CPL Perez, Lyla  
Lincoln High School  
LET 1

## Cadet Standout

"Lyla is active in many JROTC teams such as Color Guard, Archery, and Academic League. She supports other cadets in class before uniform inspections, is an active participant in class and during events, and is a great role model for other cadets. She volunteers at any leadership opportunity given to her, and maintains great grades simultaneously. "

"Present for most of our trips and events, including MOC and Cadet Picnic, she is actively applying for staff positions. As a LET 1, her performance in JROTC exceeds the expectations of a first year, and her attendance shows that she is consistent and almost always present."
