

PASS IN REVIEW

May 2023

SDUSD JOINT BRIGADE

BRIGADE STAFF

Throughout the 2022-2023 school year, all thirteen schools in the San Diego Unified School District have worked hard to achieve numerous victories. On May 20th, all thirteen of those schools came together at Lincoln High School to finally recognize the dedication and hardwork each school and cadet put into the 22-23 school year.

One of the biggest events that occur during Pass In Review is the Change of Command Ceremony where the responsibilities of the previous Brigade Commander are officially passed on to the new incoming Brigade Commander. Following this tradition, Cadet Colonel Fatima Lee Laugo passed the flag to Cadet Colonel Kaila Stolz signaling the end of the 22-23 Brigade Staff. The efforts of the 22-23 Brigade Staff has been proven successful with numerous events, competitions, and an unforgettable camaraderie that cadets have gained from each gathering. With that they leave their legacy behind as the new upcoming 23-24 Brigade Staff rise up to fill their shoes. Now officially sworn in and proudly holding new ranks, the 23-24 Brigade Staff enter their new roles aiming to continue building on the foundation of excellent leadership and dedicaton that the Brigade continues to leave behind each year.

One of the most exciting parts of Pass in Review is the Awards Ceremony where cadets and units are awarded for their accomplishments throughout the year. Cadets receive awards for academic excellence as well as winning in competitions such as Brigade Exhibition. Of course the award everyone is on the edge of their seats for is the Joseph Stillwell Trophy which goes to the school that places number one in all aspects including academics, athletics, and drill. This year, the Scripps Ranch High School AFJROTC won the Stillwell Trophy for the second year in a row! In second place was Patrick Henry High School NJROTC with the Dr. Beverly Foster Trophy, and in third place was Hoover High School AJROTC awarded with the Ken Glanville Trophy.

The hard work that has gone into this school year is undeniably outstanding and each unit put their best foot forward to earn their respective awards. As old doors close and new ones open, we are ecstatic to see where the schools of this amazing brigade will end up next year. Congratulations to everyone and make sure to keep the streak of good work going for another successful year!
